#### Step 1:

Go to official Sendgrid website: <https://sendgrid.com/>, then click start for free.

#### Step 2:

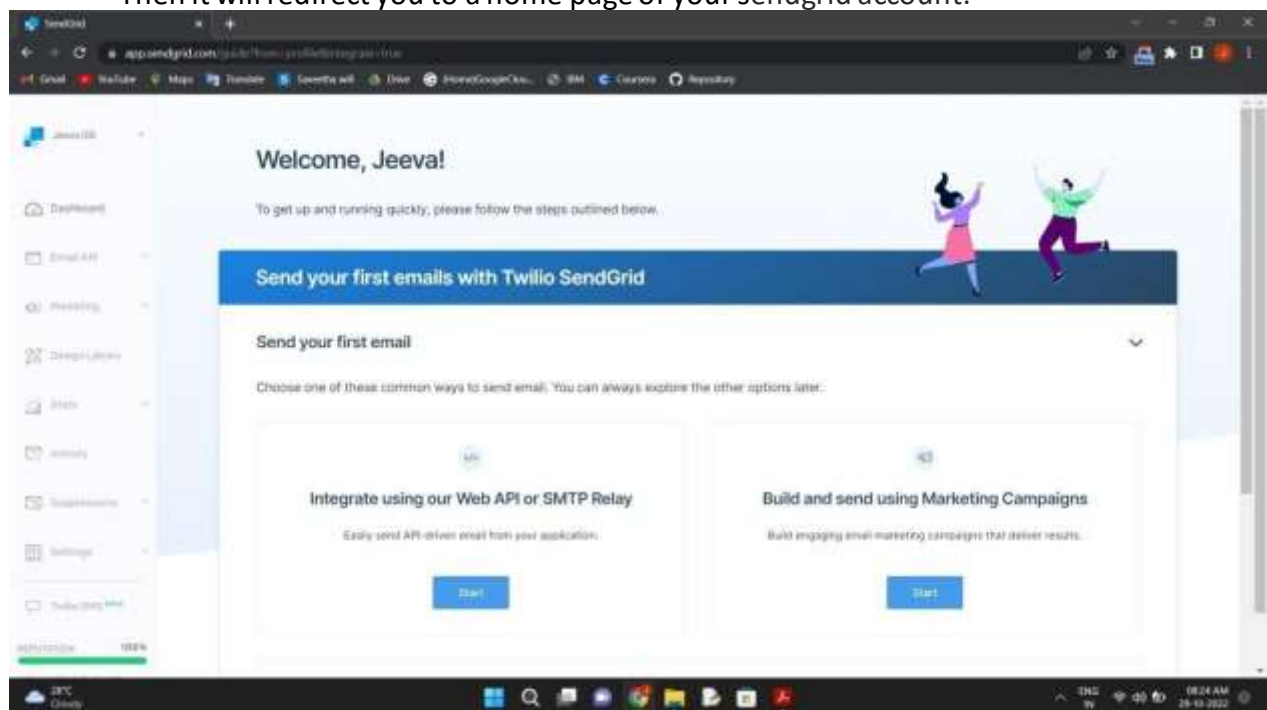

Then go to Registration Page, you need to give all the details required for creating a Sendgrid account and finally click create button. The below screenshot will show the registration Process.

The image shows the SendGrid registration page titled "Tell Us About Yourself". It includes a Twilio logo and a sub-header stating "This information will help us serve you better." The form contains several input fields: "First Name", "Last Name", "Company Name", "Company Website", "Country Code" (with "USA (+)" selected), and "Phone Number". Below these are radio button options for "What is your role?" with choices: Developer, CEO, Marketer, and Other. The final question is "How many emails do you send per month?" with two radio button options: "0 to 100,000" and "100,000 to 700,000". A small Twilio logo is visible in the bottom right corner of the form area.

### Step 3:

Then it will redirect you to a home page of your sendgrid account.

### Step 4:

Finally, you have created your account and now you can access the sendgrid account.
